Coordinate Bin Delivery & Set-Up

Once you've completed the request for a Charity Recycling Bin at your school, our team will begin creating a site plan and delivery date. The bin will be delivered in approximately 15 days.

3

Maintain Recycling Bins

After deliver, let the fundraising begin! The bins are equipped with a sensor to indicate it's time to be serviced. If you need an extra pickup, email: crsops@charityrecyclingservice.com.

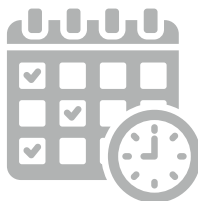

4

Promoting Your Recycling Bin

Start letting your students and families know about the recycling bin fundraising efforts. Charity Recycling Service provides templates to email and post on social.

5

Fundraising Reports

Every quarter, your school will receive an easy to read report of how much your bin collected and diverted from landfills, along with a check for 10¢/pound for all collected items. Funds will be placed into your school fund with the Foundation for OCPS.
